Subject: Submission of Inception Report – Contract for Enhancing SharePoint Implementation

Dears,

In reference to the **Contract for the Procurement of Enhancing SharePoint Implementation** under the **Strengthening Ethiopia's Safety Net Project (SEASN), Credit No. 67980/IDA D7450**, we are pleased to formally submit the **Inception Report** for your review and consideration.

This report outlines the initial approach, methodology, work plan, and resource allocation that TRIA TRADING PLC will employ to ensure the successful implementation of the project. The inception phase has been prepared in alignment with the agreed contract requirements and in close consideration of the objectives set forth by the Ministry of Agriculture.

We trust that this report will serve as a solid foundation for the smooth execution of subsequent project activities. We remain committed to delivering high-quality results and fostering continued collaboration with the Ministry throughout the project lifecycle.

Kindly acknowledge receipt of this submission. Should you require any clarification or further details, please do not hesitate to contact us.

Thank you for your cooperation and continued support.

Sincerely

TRIA TRADING PLC
